

Custom Aesthetic Groove Order Form

These blades and sleds are used to add custom grooves to your EIFS projects. All blades and groove sleds are priced and ordered per piece. You can choose from "V", Angled, Square and Beveled. You will also need the 2-QC or G2 Hot Knife, Groove Sled and a Groove Tool Handle to complete your EIFS project.

Complete the form below and submit it to Wind-lock by fax 800-854-6614 or email to orders@wind-lock.com. A member of our Customer Sales Support Team will respond with pricing information.
